2. Please fill out the information form in case we need to contact you

Format

All matches will be the best 2 out of 3 sets with a 10 point tiebreak to determine the third set

Site(s)

TC West Senior High School will be the main site. In case of rain, we will go indoors to the **Grand Traverse Resort and Spa**. **TC West Junior High** may also be used if we need to catch up on matches because of the weather.

If weather looks questionable, where can we call to see where we play?

You can call **534-6770** (the Health Club Desk at the Grand Traverse Resort and Spa) to check if there are any changes in sites. If they do not have any information, then we will be at TC West Senior High School.

You can also go to: www.grandtraversetennis.com and on the home page in the yellow box, we will post any updates.

Viewing: Viewing is permitted in the middle aisles between the courts or outside the fenced area. **Parents, Coaches, players may not help/communicate in any way with players on court or aid them in any match** (ex. Helping with score, line-calls...etc). Doing so will result in removal from area and the USTA point penalty system will go into effect on player (players should go to tournament desk if they have a problem or questions)

When will doubles be played?

Doubles matches are scheduled to be played on Sunday. The schedule will come out Saturday evening and can be obtained by going to www.grandtraversetennis.com and on the home page in the yellow box, we will post a link to the times on Sunday.
